Vice Principal

Community Report 2015-2016

Students & Teachers are engaged in active, purposeful learning

- ◆ Career Cruising was implemented for students in grades 5—8
- ◆ Classroom Economy has continued in numerous homerooms in grades 7 & 8
- ◆ Renewed license for Reflex (online math software program)
- ◆ Incorporation of Google Docs and email addresses for all students
- ◆ Thinking Classrooms incorporated based on the pedagogy of Peter Liljedahl
- ◆ Implementation of Makerspace for all grade 5 students (a hands on, activity based learning opportunity)

School Community encourages purposeful and meaningful relationships

- ◆ Strong Connection assessments that guided growth and movements along the curriculum
- ◆ Numerous professional development for teachers in the areas of MY Numeracy & Literacy
- ◆ Professional development for administration in Deeper Learning
- ◆ School-based professional development in the areas of Our Kid, This We Believe and Deeper Learning
- ◆ Career Presentations from various professionals to our grade 8 students
- ◆ Thought Exchange data collection—to be reviewed in September 2016

Ensuring that our school environment is inviting, safe, inclusive and supportive for all.

- ◆ Created classroom environments that support all learners with furniture placement and arrangement.
- ◆ Continued integration of “Ready to Learn”, including Positive Notes to Parents
- ◆ Continued health instruction of Second Step Curriculum
- ◆ Introduction of Cross-Grade mentorship within the school
- ◆ Introduction of reading buddies with Southwood School students (K-4)
- ◆ Week of Kindness featuring Robb Nash
- ◆ DARE program for all grade 6 students by the RCMP
- ◆ ICE presentations for grades 7 & 8 students by the RCMP

About Us

- ❖ Provincial school wide survey – Tell Them From Me for the purpose of preparing a school plan
- ❖ Sportscard Club fundraising of almost \$400 for Provision of Hope
- ❖ The annual Book Fair in November raised over \$3000 for the library
