Meeting Minutes

1. Principals report
 - a) February is I love to read month. Incentives for participation are placed in the school. This includes banners, reading quilts, and reading challenges in the individual classrooms.
 - b) Instead of Camp Cedarwood for the Grade 8's they will be going to Camp Arnes from June 17 – June 19.
 - c) Feb 13: Celebration of the arts. An evening for those students involved in drama and arts to showcase what they're doing. Nice activity for parents to attend and see a glimpse of what they're kids are involved with. The theme for this event is "empathy". Will be a café style, parents can come & go as they like. This is for Grade 8 students only.
 - d) Activity day coming up on Feb 15. 49-50 students haven't signed up for any activity.
 - e) Chase the Ace: The pot is at \$500. This event needs more publicity to get more sales. Note that Monday nights is not the best evening to hold this event.
 - f) Hanover School budget meeting: 2.4 million dollar shortfall even with an increase from the government. The dollar spent per student in Hanover is the lowest. Schools around Hanover are all better funded. The only thing Hanover is ranked higher in is the IT department. Hanover School division is the largest rural division in Manitoba.

2. Financial Report
 - a) No change in financials.

Next meeting: March 18 @ 5:30.
