Priority Planning 2022 2023

READY TO LEARN

Be Responsible Be Respectful Be Safe

About Us

Our selection of educational goals as well as our assessment and instructional practices are guided by "This We Believe" and Deeper Learning pedagogy

We are home to 511 students, 32 teachers, 14 Educational Assistants, 1 Admin Secretary, 1 Secretary, 1 Library Support Specialist, and 5 custodial staff

Students are engaged in core academic programs, athletics (intramurals, cross-country, volleyball, basketball, badminton, track and field), music (choir, band), and the arts (visual, drama, and digital)

Our school has created a culture of kindness through such events as a Week of Kindness, participation in Orange Shirt Day and Character Day

Student leadership opportunities that hosted special events, created community connections and raised awareness of broader issues.

Planning Priority #1

Educators use multiple learning and teaching approaches

Incorporation of strategies where students provoke, explore, and reflect on their learning.

Strategies and Success Indicators

- ❖ Students will demonstrate an understanding of the reading and writing process through critical analysis and reflection of their impact as a citizen of our community.
- ❖ Students will demonstrate critical and flexible thinking as they build confidence in their numeracy skills when applied in a variety of settings

Planning Priority #2

Ongoing Professional Development and collaboration that reflects courage and best educational practice

Strategies and Success Indicators

- ❖ In pursuit of truth and reconciliation, SMS is committed to the work of incorporating Indigenous ways of Knowing, Being and Doing by using the 4 strategies as outlined in the Mamahtawisiwin document. SMS is at the beginning of this journey and will use the Circle of Courage as a guide on that journey.

Planning Priority #3

The health and wellness needs of Middle Years students are supported through curricula, school-wide programs and practices

Strategies and Success Indicators

- ❖ Through the development of positive relationships with adults and peers, students will develop strategies to manage stress and regulate their emotions, resulting in improved self esteem and confidence. SMS is committed to working with all students, school staff, families/caretakers and community partners to prevent and respond effectively to issues that have an impact on school safety.
