MESSAGE FROM THE PRINCIPAL

Hello!

This is such a great time of the year while we look forward to many exciting things happening as we begin looking towards the end of the year. Which also makes it the perfect time to share a few reminders. SMS always does our best to ensure that every child has a friend in their class. However, please remember that your child may have a great time hanging out with the bff, doesn't necessarily mean that it's a healthy learning relationship in the classroom. We encourage you to have these honest conversations as we start planning ahead. Thank you!

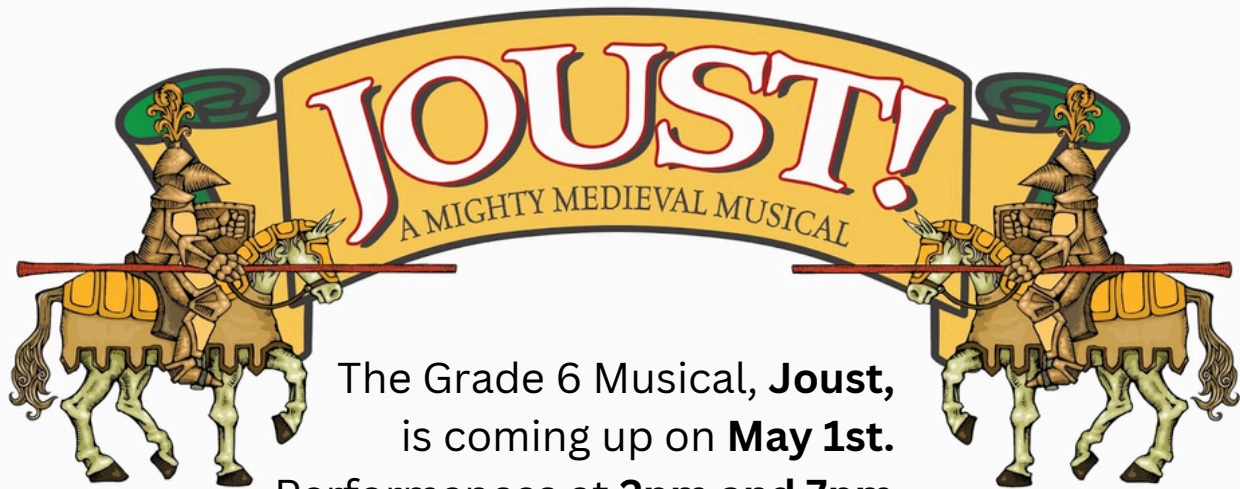

This is also the time of the year when we start planning for end of the year activities. We are always in need of volunteers and chaperones, so if you're interested, please make sure that your checks are completed. They often take weeks to process, so the earlier you can get started, the better. Have questions? Just reach out to Ms. Gaby or Ms. Tamara in the office.

Happy Spring!

Mrs. Rita Rebizant
Principal
