## MESSAGE FROM THE PRINCIPAL

Happy May!

If you had the privilege of seeing our Grade 6 Musical, Joust, you can agree that they put on an amazing performance! Congratulations to all the teachers and students that contributed to a memorable experience for our kids. Check out some of the pictures below.

We still have lots of exciting things to come before the year wraps up, so please make mark your calendars! We're really looking forward to hosting our Grade 5 Orientation evening on May 15th at 6:00 and heading to the early years schools later in the month to introduce ourselves to the grade 4s.

Mrs. Rita Rebizant  
Principal

## GIVING BACK

### STUDENTS VISIT RESTHAVEN CARE HOME

One of the most exciting new initiatives at SMS this year has been our Grade 8 volunteer program. Since the beginning of the school year, a dedicated group of approximately 40 students has been making bi-monthly visits to Resthaven Care Home to engage with residents. These visits have proven both rewarding and enriching, as students develop new skills, gain confidence, and build meaningful relationships with the residents.

The residents frequently express their appreciation and often ask when the students will be returning. Resthaven staff have shared that the students' presence has had a profoundly positive impact on the well-being and spirits of the residents.

PAC Update

We appreciate the effort of the students and generosity of the community in making this a success. Many Thanks, **Stonybrook Middle School PAC**

The Grade 8 Human Ecology students are excited to present their Food Truck projects to the SMS student body during our first Food Truck Wars on Friday, May 16!

All students will have a chance to vote for their favourite food truck. The stakes are high as there are prizes involved for the highest voted food truck groups, including a field trip to the MB Food Truck Battles in Winnipeg. There will even be prizes for some of the lucky voters as well! More information will be sent out to families of the grade 8 Human Ecology students later this month. Good luck to all those competing!

## Food Support

Thanks to funding from the provincial government, we can now provide breakfast, lunch, and/or after-school snacks for students who need extra support with food during the school day. There's no need to sign up—students can access what they need when they need it.

**This program is meant to support students who may not have enough food at home for the school day.** If your child has a packed lunch and enough food from home, we ask that they continue to bring it as usual so the program can support those who truly need it.
